Le-o-nar-do Da Vin-ci School,

Your kind-ness loves an In-di-an

fool.

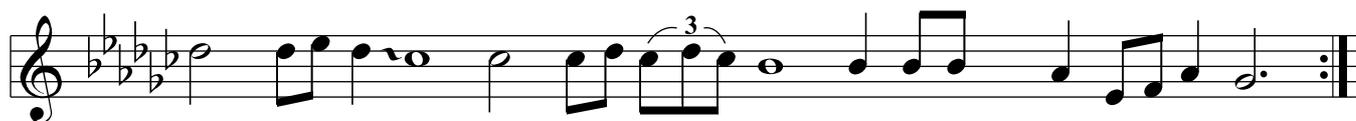

Da Vin-ci, per-fec-tion's sum-mit-soul,

Claimed by ec-sta-sy ga-la-xy goal.

Art Lord, bless us. Your vi-sion-flames

Teach us the life's my-ri-ad games.

Leonardo Da Vinci School,
Your kindness loves an Indian fool.
Da Vinci, perfection's summit-soul,
Claimed by ecstasy-galaxy-goal.
Art Lord, bless us. Your vision flames
Teach us the life's myriad games.

Scuola Leonardo Da Vinci,
la tua gentilezza ama un stolto indiano.
Da Vinci, eccelsa anima della perfezione,
Rivendicato dalla meta-galassia di estasi.
Signore dell'arte, benedicici. Le fiamme della tua visione
Ci insegnano i giochi molteplici della vita.
